Remarks

Welcome home to this well-maintained tri-level that's perfect for first-time buyers! Featuring beautiful hardwood floors and a functional layout with separate living spaces, this home offers both comfort and flexibility. The spacious lower-level family room is ideal for movie nights, a home office or entertaining friends. Big ticket updates have already been taken care of - including an updated furnace, central air, and water heater. The roof and windows are less than 10 years old, giving you added peace of mind and helping keep future expenses low. Move-in ready and a smart start to homeownership.
